## ABOUT

### About the Turkish Archives of Pediatrics

Turkish Archives of Pediatrics is a peer reviewed, open access, online-only journal published by the Turkish Pediatrics Association.

Turkish Archives of Pediatrics is a bimonthly journal that is published in English in January, March, May, July, September, and November.

### Journal History

Turkish Archives of Pediatrics started its publication life titled as "Türk Pediatri Arşivi: İstanbul Çocuk Kliniği Dergisi" in 1930. From 1995 to 2020, the journal was published under the title "Türk Pediatri Arşivi". The journal is now published under the title "Turkish Archives of Pediatrics". Archives of the journal were transferred to Turkish Archives of Pediatrics.

### Abstracting and indexing

Turkish Archives of Pediatrics is covered in the following abstracting and indexing databases; PubMed Central, Web of Science-Emerging Sources Citation Index, CNKI, TUBITAK ULAKBIM TR Index, EMBASE, SCOPUS, DOAJ, HINARI, EBSCO, CINAHL, GALE.

All content published in the journal is permanently archived in Portico.

### Aims, Scope, and Audience

Turkish Archives of Pediatrics aims to publish studies of the highest scientific and clinical value, and encourages the submission of high-quality research that advance the understanding of pediatric medicine.

Turkish Archives of Pediatrics covers a wide range of topics related to the field of pediatrics. The journal is interested in publishing original research that addresses important clinical questions and advances the understanding and treatment of these conditions. This may include studies on the effectiveness of different treatments, new diagnostic tools or techniques, and novel approaches to managing pediatrics.

Turkish Archives of Pediatrics publishes clinical and basic research articles, reviews, systematic reviews and meta-analyses, letters to the editor, scientific letters and editorials.

The target audience of the journal includes academics and expert physicians working in pediatrics and other relevant specialists.

### Open Access Policy

Turkish Archives of Pediatrics is an open access publication.

Starting on January 2019 issue, all content published in the journal is licensed under the Creative Commons Attribution-NonCommercial (CC BY-NC) 4.0 International License which allows third parties to use the content for non-commercial purposes as long as they give credit to the original work. This license allows for the content to be shared and adapted for non-commercial purposes, promoting the dissemination and use of the research published in the journal.

The content published before January 2021 was licensed under a traditional copyright, but the archive is still available for free access.
